

about being my son's biological father). Please also let it be said that it is in my personal knowledge that Mr. Worrell does have a history, at least on two occasions of which I am aware, of sexual deviance in addition to his multiple DUI/DWI's and felonious intention to distribute a large amount of MDMA (street name, "Ecstasy"<sup>99.7.8.8.</sup>). He has never expressed a desire to quit drinking alcohol, or, "bodka," although my son always tells me his "Daddy and Nancy are always drinking "bodka," wine, and beer and smoking all kinds of cigarettes, some that are "longer and skinnier than regular cigarettes."

# They took my son away complaining about how I had wasted and alleged "seven (7) hours" of their precious time with their families. I think I even apologized through a screen of tears as we were walking out. Ms. Harvick didn't even want to let me see or hug my son good-bye, but Julian had made her promise. He looked noticeably embarrassed for me being shamed by CPS and local law enforcement, so he said, "Here we go again!" Ms. Harvick 's reckless perjury via sworn affidavit and false testimony under oath in Honorable Judge Lisa Millard's courtroom, Associate Judge Conrad Moren presiding on May 09, 2012 and May 29, 2012 inferred that she misperceived the situation and serves as only one of many of my contentions that she acted under the color of law with local law enforcement out of retaliation and colluded with Petitioner, Matthew James Worrell<sup>99.7.8.8.</sup> to knowingly and maliciously prosecute me in a Texas court under oath with the delusion that they possess immunity from civil liability under state law as
